Senior Safety Check-In Hour

Location: Community Center, 456 Community Drive

First Responder is hosting a senior-focused safety hour with information on fall prevention, medication readiness, smoke alarms, and emergency contact planning. Crews and community partners will be available to answer questions and connect residents with support services.

What We Offer

- Home safety guidance for reducing common hazards
- Tips for managing emergency information and medications
- Conversation with responders in a relaxed setting
- Resource referrals for transportation and wellness support

Family members and caregivers are welcome to attend with participants.
