Public Safety Career Networking Night

Location: Training Center Lobby, 789 Main St.

Explore career paths in fire suppression, EMS, dispatch, prevention, and support services at First Responder's public safety networking night. Recruiters, instructors, and field personnel will share hiring expectations, certification pathways, and day-to-day realities of the profession.

Event Highlights

- Career panels with firefighters, EMTs, and command staff
- Information on cadet, volunteer, and full-time opportunities
- Resume and interview guidance for entry-level applicants
- Networking with partner agencies and training staff

Bring questions and copies of your resume if you want direct feedback from department representatives.
