Wildfire Readiness Roundtable

Location: Riverside Community Hall, 456 Green St

As dry conditions increase, First Responder is convening a roundtable on wildfire readiness for residents, land managers, and neighborhood leaders. The session will cover defensible space, access challenges, response coordination, and evacuation planning.

Discussion Topics

- Vegetation management and property hardening
- Mutual aid planning and operational coordination
- Neighborhood communication during fast-moving incidents
- Preparedness actions residents can take now

This conversation is especially important for households near open land, wooded corridors, and rural access roads.
