Youth Fire Cadet Skills Day

Location: Community Training Field, 456 Park Ave

Young residents interested in public safety are invited to a hands-on cadet skills day. Participants will rotate through age-appropriate stations focused on teamwork, basic equipment awareness, fitness, and emergency preparedness.

Activity Stations

- Obstacle and teamwork drills
- Introductory hose and ladder safety demonstrations
- Preparedness lessons for home and school
- Career conversations with firefighters and EMTs

This program is designed to introduce youth to the values of service, readiness, and leadership.
