Volunteer Support Team Meetup

Location: Community Hall, 789 Support Ave

Residents interested in helping during outreach events and preparedness campaigns are invited to a volunteer support team meetup. First Responder will share where volunteers can assist with public education, event logistics, rehab support, and neighborhood communication efforts.

Why Attend

- Learn about current volunteer opportunities
- Meet staff coordinating outreach and preparedness programs
- Understand training expectations and safety guidelines
- Connect with other service-minded residents

Whether you have a few hours a month or want to support larger campaigns, this session will help you find the right fit.
